## REDICUFF®

**Redicuff** is a versatile sling material which combines strength with soft padding and offers greater patient comfort than traditional slings.

It can be used in a variety of ways for supporting the arm and immobilizing the shoulder.

**Redicuff** is supplied in 3 width sizes: 5 cm, 7,5 cm and 10 cm and is available in 6 metre rolls.

Available in natural and flesh colour.

## REDICUFF®

**Redicuff** è un rotolo di soffice schiuma poliuretanic rivestita di maglia di cotone; indicata per l'allestimento di veloci, pratici ed efficaci bendaggi di sostegno per il braccio ed il polso, nonché per l'immobilizzazione della spalla nel caso di lussazione o frattura della clavicola.

Dotato di materiale per il fissaggio, **Redicuff** rappresenta un mezzo di grande velocità per il Pronto Soccorso, il Reparto Ortopedico, l'ambulatorio medico e la palestra sportiva.

Disponibile in 3 larghezze: 5 cm, 7,5 cm e 10 cm in rotoli da 6 metri.

Disponibile in colore naturale e color pelle.

## REDICUFF®

**Redicuff** ist universell einsetzbar sowohl zur Stützung des Armes als auch als Rucksackverband bei Schlüsselbeinfrakturen.

**Redicuff** besteht aus Schaumstoff mit Tricotüberzug.

Das Lieferprogramm umfaßt die Breiten 5, 7,5 und 10 cm.

Die Rollenlänge ist jeweils 6 m.

Lieferbar in natur oder hautfarben.
